

# Reception Core Essentials

To support your child in being Year 1 ready, these are core skills that may be useful to keeping 'ticking over' during the summer holiday.

## Reading

Keep learning/practising the rainbow high frequency words by sight. They can be found on the Pine class page on the website.

Keep going over the phonics sounds, including the digraphs eg. ai, ee, oa and trigraphs eg. igh, air. This can be found in their Jolly Phonics books.

## Writing

Learn to write the rainbow words.

Write a simple sentence, sounding out words using the phonic sounds that they know. Try to encourage the use of a capital letter and full-stop.

## Maths

Keep counting objects accurately to 20 and beyond.

Count in twos, fives and tens.

Practise simple addition and subtraction using objects to support.

Keep practising the number bonds to 10, and then to 20  
0+10, 1+9, 2+8. 3+7 etc.
